Each such recipient shall inform the head of the operating administration of any subsequent change.

(b) *Adoption of complaint procedures.* A recipient that employs fifteen or more persons shall, within 180 days, adopt and file with the head of the operating

§ 27.15 Notice.

(a) A recipient shall take appropriate initial and continuing steps to notify participants, beneficiaries, applicants, and employees, including those with impaired vision or hearing, and unions or professional organizations holding collective bargaining or professional agreements with the recipient, that it does not discriminate on the basis of disability. The notification shall state, where appropriate, that the recipient does not discriminate in admission or access to, or treatment or employment in, its programs or activities. The notification shall also include an identification of the responsible employee designated pursuant to § 27.13(a). A recipient shall make the initial notification required by this section within 90 days of the effective date of this part. Methods of initial and continuing notification may include the posting of notices, publication in newspapers and magazines, placement of notices in recipients' publications and distribution of memoranda or other written communications.

(b) If a recipient publishes or uses recruitment materials or publications containing general information that it makes available to participants, beneficiaries, applicants, or employees, it shall include in those materials or publications a statement of the policy described in paragraph (a) of this section. A recipient may meet the requirement of this paragraph either by including appropriate inserts in existing materials and publications or by revising and reprinting the materials and publications. In either case, the addition or revision must be specially noted.

§ 27.17 Effect of State or local law.

The obligation to comply with this part is not obviated or affected by any State or local law.

§ 27.19 Compliance with Americans with Disabilities Act requirements and FTA policy.

(a) Recipients subject to this part (whether public or private entities as defined in 49 CFR part 37) shall comply with all applicable requirements of the Americans with Disabilities Act (ADA) of 1990 (42 U.S.C. 12101-12213) including the Department's ADA regulations (49 CFR parts 37 and 38), the regulations of the Department of Justice implementing titles II and III of the ADA (28 CFR parts 35 and 36), and the regulations of the Equal Employment Opportunity Commission (EEOC) implementing title I of the ADA (29 CFR part 1630). Compliance with the EEOC title I regulations is required as a condition of compliance with section 504 for DOT recipients even for organizations which, because they have fewer than 25 or 15 employees, would not be subject to the EEOC regulation in its own right. Compliance with all these regulations is a condition of receiving Federal financial assistance from the Department of Transportation. Any recipient not in compliance with this requirement shall be subject to enforcement action under subpart F of this part.

(b) Consistent with FTA policy, any recipient of Federal financial assistance from the Federal Transit Administration whose solicitation was made before August 26, 1990, and is for one or more inaccessible vehicles, shall provide written notice to the Secretary (e.g., in the case of a solicitation made in the past under which the recipient can order additional new buses after the effective date of this section). The Secretary shall review each case individually, and determine whether the Department will continue to participate in the Federal grant, consistent with the provisions in the grant agreement between the Department and the recipient.
